JACK ANDERSON'S WASHINGTON LETTER  
April 1985

STRICTLY PERSONAL: EXCERPTS FROM MY DIARY

April 4. -- High-level source reported urgently he had reviewed top-secret documents which showed White House, Defense Department and CIA were planning covert operation in Ethiopia. Ultimate objective: to unseat, if possible, Dictator Mengistu Haile Mariam. Source said CIA was planning to use food shipments to starving Ethiopians as cover to ship arms and supplies to rebels in north, who are battling Haile Mariam regime. Trying to check out report.
